

# 'Simulators'-Legally Faking It Without the Cigarette!

Discussion of current "simulator" technology and capabilities along with review of allowable uses under part 61; attendees will be exposed to the capabilities and advantages of both basic and advanced sims and have the opportunity to "fly" both during the seminar. Pilots should bring their logbook if they wish to log the sim time. NOTE: Pre-registered attendees only; walk-ins will not be accepted

**Directions:** Sierra Aviation is 1/4 mile east of the terminal building

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
